## IMPORTANCE OF WAXING REGULARLY

1. Helps prevent acid rain from staining your paint and ruining your car's finish.
2. Helps prevent oxidation from making your car's finish dull and unattractive.
3. Can help to protect your investment and also increase resale value.
4. A clean and professionally waxed car makes you look great!

#### A. PASTE WAX JOB

Cars.....	59.99
Mini vans, Small SUV's, and Pickups.....	69.99
Full Size Vans and SUV's.....	79.99

For the customer looking for that showroom appearance again. It will remove light oxidation and will improve your paint's luster. Paste wax will also protect your car's finish from the elements

#### B. CARPET AND UPHOLSTERY

Car Mats Shampoo.....	19.99 and up
Carpets and Mats Shampoo ( Car ).....	29.99 and up
Upholstery Shampoo ( Car ).....	39.99 and up

Add \$10.00 for Windows & Dashboard Cleaning.

Interior mats, carpet, or upholstery vacuumed and then sprayed with a spot and stain remover. The interior is then revacuumed with a high tech hot water extractor which creates a cleaning efficiency that will greatly improve the interior look.

#### C. BLACK TRIM & TIRE REJUVENATOR ..... 19.99

A new space age silicone restores that deep black look to tires and black trim.

#### D. INTERIOR ARMORALL PROTECTANT (Note: We do not put Armorall on dashboard)..... 19.99

Cleans, penetrates, and rejuvenates all vinyl and rubber surfaces. Armorall protectant guards against ultraviolet rays which can crack, dull, harden and fade materials like rubber, vinyl, and plastic.

#### E. INTERIOR CLEANING (Car)..... 14.99 and up

Thoroughly vacuum the interior of your car and clean all windows.
